When plans change, what does your family use today?

- 1 Call or text
- 2 Find My / Life360 / location sharing
- 3 Maps or transit app
- 4 School, transit staff, or another adult
- 5 Adult goes to pick up the child
- 6 We do not have a good solution

Place one dot beside what you used most recently.
Real behavior helps us build the right product.

After voting, tell us how well that solution actually worked.

SCENARIO CARD

The train stops early.

You are one stop away from the usual stop. What do you do first?

- A. Run outside
- B. Pause somewhere safe and visible
- C. Follow the biggest crowd

SCENARIO CARD

Your usual sidewalk is closed.

A worker points toward a street you do not know. What do you do?

- A. Take the unknown street
- B. Pause and check a trusted next step
- C. Cross between parked cars

ASK THE CHILD

Which message feels clearest?

- A. "Route anomaly detected."
- B. "Pause here. You are safe. Tap to call Mom."
